

airdome 10

Welcome to your new

Trident AirDome™ 10 Purifier — a state-of-the-art air purification system.

Trident AirDome™ 10 is the device many customers have been requesting for since the launch of our Trident AirDome™ Purifiers. Our development team worked relentlessly to develop a powerful device small enough for usage in cars, and personal spaces.

Equipped with Trident's proprietary safe AirDome™ technology, AirDome™ 10 effectively reduces transmission of virus, bacteria and allergens in the environment. Proven to also effectively eliminate harmful gases such as formaldehyde, VOCs, and odours, AirDome™ 10 provides safe, clean air to its users.

PRODUCT DESCRIPTION

1	ON/OFF Fan Speed
2	Air Outlet
3	USB-C Power
4	Air Inlet

PACKING LIST

USB-C Cable	1 pc
User Manual	1 pc

CLEANING / MAINTENANCE

1. Do not wash or soak the entire device into water or liquid. Prior to cleaning, disconnect power supply. Use a soft rag to wipe down device.
2. Do this every 3-4 months to ensure optimum performance.

WHERE TO USE & QUICK START

AirDome™ 10 can be used in vehicle cabins, in bathrooms, or smaller bedrooms

Highly recommend to also place AirDome™ 10 on your work desk to reduce “sick building syndrome” and improve your overall well-being while at work.

Device turns on to fan speed 2 when car is turned on or when power is plugged in. Change fan speed by pressing ON/OFF button. Press and hold for 2 secs to turn on and off device.

TECHNICAL SPECIFICATIONS
